Overview and Summary

The deficit as at end of Q2 2024 was Eur25438 while the deficit as end of Q4 2023 was Eur22003. The council had a positive a current surplus (expenses) for the first period of 2024 amounting to Eur10178. . The Council finished the Gazebo project and recognized a net investment (out of pocket) of circa Eur20,000 on this project. This means that the Council managed to decrease the current costs and thus generate a saving from these current costs which kept the accumuluated deficit in control especially taking into consideration that the Council invested in the Gazebo project which was not fully funded.
